- Adaptability, teachability, collaboration, and resilience
-

Projects:

Obesity and COVID Correlation Project: https://github.com/COGS108/Group086_FA25.git

Fall 2025

- Identified and sourced real-world datasets to investigate potential correlations between obesity rates and COVID outcomes
 - Conducted exploratory data analysis by cleaning data and creating data visualizations to examine trends and relationships
 - Interpreted results and clearly presented insights through well-structured graphs and written analysis
-

Work Experience:

Director of Community of Kabob Shack Mediterranean Grill | Chula Vista, CA

February 2026 - Present

- Increased average content views from about 1K to 3K in 3 weeks by creating and refining engaging content
- Collaborated with lifestyle creators across different niches to produce content while helping expand reach and boost engagement
- Took broad, high-level direction and turned it into engaging content that improved overall viewer interaction

Radius International Intern | Remote

June 2025 - August 2025

- Learned and applied Site Stacker CRM software to support organizational data management
 - Manually reviewed and updated thousands of alumni and contact records to improve data accuracy
 - Engaged directly with alumni via email to verify information, strengthening database reliability and outreach effectiveness
-

Leadership Experience/Volunteer Work

House Church Leader, We the Redeemed Church | Mira Mesa, CA

January 2025 - Present

- Led and coordinated weekly house church gatherings, preparing roles and materials to foster a welcoming and structured community environment.
- Supported members emotionally and spiritually through regular check-ins, one-on-one meetings, and group gatherings, while maintaining accountability and alignment with leadership responsibilities through ongoing training and required meetings.
- Grew house church membership from 6 to 18 members within two months, increasing engagement and participation, building a community of people from different walks of faith

El Amor Del Señor Lead | San Diego, CA

December 2025 - Present

- Increased event turnout from ~20 to 80 participants through targeted outreach and promotion, while supporting team alignment and engagement through regular meetings and collaboration
